ABOUT COMPANY

SEE Project is a consulting firm established in 2013, based in Serbia and operating across the WB and SEE regions. The company specializes in business consulting activities related to management and other organizational services.

Our Mission

Sustainable growth by providing expert solutions in business development, government consulting, education and research.

Geo Presence

SEE Project is named after the acronym for South-East Europe, which defines the geographical scope of our operations.

Our Turnover

The turnover for the previous year was 220.000 EUR, demonstrating strong performance and growth.

Our Expertise

We specialize in EU projects, CBC and strategic support for business and government sectors through consulting services.

OUR SERVICES

Our company provides business and government consulting services, helping organizations enhance profitability and address key challenges and support public sector reforms, policy implementation and cross-border cooperation initiatives.

01 Business Development

We help companies expand their markets and boost profitability through strategic planning and tailored solutions.

02 Government Consulting

We support public sector reforms and policy implementation, enhancing efficiency and driving positive change.

OUR SERVICES

Research and education are conducted by our company, focusing on diverse topics and concepts. Educational programs are designed to equip individuals and groups with practical skills, supporting their development and career advancement.

03 Research

Research focuses on analyzing diverse topics to provide insights and support informed decision-making.

04 Education

Education empowers organizations with practical skills and knowledge to support their professional growth.

OUR PROJECTS

Here are some of the key projects we've successfully implemented, demonstrating our expertise and impact in various sectors.

1 Research

Research and two studies on LEADER CLLD and EU LAG programs were conducted in the Banat region, examining their impact on local development and cross-border cooperation.

2 Support

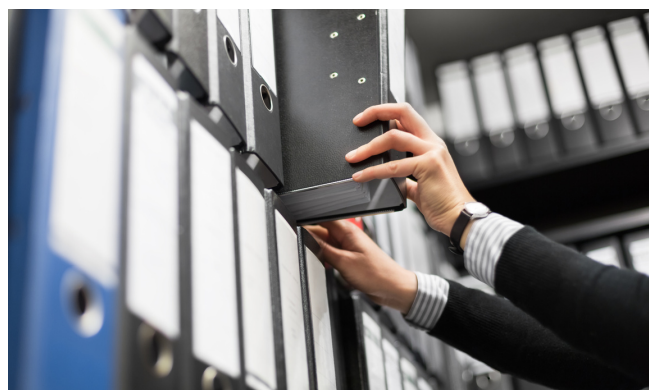

Municipalities in the Banat region were engaged, key needs assessed, and critical challenges identified, forming the basis for the initial phase of Capital Projects applications.

OUR PROJECTS

3 Support

More than 100 MSMEs from 6 Western Balkan economies were interviewed, and support was provided to 60 MSMEs for EU funding applications.

4 Promotion

Provision of promotional services for the Ministry of Interior's CBC project, encompassing the development of promotional materials, event organization, and strategic expertise to enhance project visibility.

OUR BEST CLIENTS

We have had the privilege of working with a diverse range of respected institutions across different sectors. These collaborations reflect our commitment to delivering high-quality solutions and achieving successful outcomes for each client.
